RE: Notice of Oral *Ex Parte* Communication
Docket 93-8

Dear Ms. Dortch:

This notice is submitted in fulfillment of Section 1.1206(b) of the Commission's Rules.

On January February 1, 2012, I had a brief conversation with Chairman Genachowski in which I called for prompt action on Docket 93-8. I pointed out that stations primarily devoted to sales presentations do not serve the public interest and ought to be prime candidates to participate in voluntary incentive auctions. I said that clarifying the amount of programming which may permissibly be devoted to sales presentations is thus consistent with the Commission's policy goals set forth in the National Broadband Plan.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Andrew Jay Schwarzman".
